ORANGE RIVER – HALF DAY RAFTING TRIP

We offer two half-day trip options for you to choose from. Please review each option to find the one that best suits your needs.

OPTION 1: MORNING RAFTING

Arrival day:

Arrive at our base camp any time after 4 PM. Located just across the Namibian border, our camp manager will be there to greet you. After your day of travel, feel free to enjoy a refreshing swim or join a game of volleyball. Dinner will be served at 7 PM, and we'll gather around the campfire to get to know each other better.

Day on the river & departure:

After an early breakfast, your guide will conduct a safety briefing and equipment demonstration. You'll learn how to paddle, what to do in case of a capsize, and how to stay safe in rapids. Before heading onto the river, you can fill your cooler with ice and refreshments. We'll then transport you to the starting point.

Spend the morning drifting along and getting comfortable with paddling while taking in the stunning natural scenery.

Your journey will conclude back at base camp, where you can enjoy lunch before departing.

OPTION 2: AFTERNOON RAFTING

Arrival day and river adventure:

Please arrive at our base camp by 11:00 AM, located just across the Namibian border, where our camp manager will be there to greet you.

You'll begin with a hearty lunch, followed by a safety briefing and equipment demonstration from your guide. They will teach you how to paddle, what to do in case of a capsize, and how to stay safe in rapids. Before heading onto the river, you can fill your cooler with ice and refreshments. We will then transport you to the starting point.

Spend the afternoon drifting along while you get comfortable with paddling, all while soaking in the beautiful natural surroundings.

The day will conclude back at base camp, where you'll enjoy dinner and spend the night.

Departure Day:

After an early breakfast, you're free to depart at your convenience.
