ORANGE RIVER FAMILY SPECIAL 2026

Join Bundi for our unforgettable 4-day Family river rafting experiences along the mighty ORANGE RIVER!

We chose this section of the Orange River for its stunning natural beauty and family-friendly adventures. This route guarantees both excitement and safety, requiring no prior rafting experience. As the river winds through the breathtaking Richtersveld National Park—one of the largest and most spectacular mountain deserts in the world—you'll have opportunities for short hikes to explore the area.

Our family trips are specifically designed to foster quality time together, scheduled during school holidays to maximize your enjoyment. You'll have plenty of chances to relax and partake in activities like hiking, fishing, swimming, or simply unwinding.

Camping along the riverbanks under a starlit sky, along with our delicious meals, will leave you feeling rejuvenated. This journey blends relaxation with a hint of adventure, featuring some exhilarating rapids while you navigate through an incredible African landscape.
